

## PROJECT OVERVIEW

**" Empowering Lives: Partner with A Hand to the Disabled (H2D) "**

**Target audience:** Potential funding partners and stakeholders

## Slide 1: Introduction:

A Hand to the Disabled (H2D) is a Mityana - based CBO empowering persons with disabilities through medical support, education, and economic empowerment. We invite you to partner with us in creating inclusive communities.

## Slide 2: Problem Statement:

### Limited access to:

- Education & vocational training
- Healthcare & mobility aids
- Economic opportunities
- Basic needs (food, poor shelter)

### Slide 3: Our Mission and Vision

- **Mission:** Empowering persons with disabilities for social inclusion & economic independence.
- **Vision:** Persons with disabilities in Mityana live with dignity, equality, and opportunities.

### Slide 4: Our Programs and Services

- Medical support & mobility aids
- Education & vocational training
- Economic empowerment (livelihoods, entrepreneurship)
- Psychosocial Support

### Economic Empowerment for small projects:

### Slide 5: Impact and Achievements

Partner with us to transform lives: from struggle to hope, like Gift's journey to restored health

**Below is Gift's months' life change in months:** In the first picture, it was our first visit to the family. She was very malnourished and could barely pick a breath after months of better nutrition and medical support at Mulago National referral hospital, her latest looks gave us hope. Together we can change lives:
